

GORMA
THE STORY OF PREMIUM FOOD!

NAMKIN | SWEET | CATERING

Gorma Food Products has a long track record of serving food with authentic taste and hygiene. We have wider range of products to offer to present day health conscious, taste loving and nutrition seeking customers.

We deliver the customer happiness by the process guided by three parameters namely superior quality raw material, hygienic production method and best packaging to preserve the food.

Gorma Food has zero compromise policy for raw materials. We have chosen unconventional way of using 100% pure filtered oil. We have our in-house Kacchi Ghani facility to extract the oil from carefully selected ingredients.

Gorma Food is a dedicated Food manufacturer with clear code of conduct for cleanliness at food processing units. It is a 28 years of our food production journey that has set in an expertise in our system to use low absorbing edible oil to preserve nutrients.

Gorma Food packaging is an ideal mix of a style and design innovation. Here at Gorma Food, we are able to stay ahead of the curve and assist our customers in finding the perfect snack packaging bag and box option for dual protection from sunlight and other exposure to our products.
